

Some Last Minute Information

1. For latest changes to the program, please refer to the link “Conference Program and Abstracts” at the conference website from time to time.
2. Please try to email your presentation file to your session chair ahead of time. Plenary speakers are requested to email their presentation to me urgently if you have not already done so. If you have already emailed it to Jan Rychtar, that is enough.
3. Try to bring a pdf version of your presentation, if possible. Sometimes there are compatibility issues with PPT files.
4. For wireless access on campus, please see the link at the conference website. This link will be ready soon.
5. Try to pick up your registration package from the registration desk at Sheraton Hotel (Birch Room) on Oct 9 between 5:00-8:00 pm, if possible. Of course you can pick it up at the conference venue also.
6. Lunches and Friday reception will be at Dining Commons. This is located two buildings down from EUC, the conference center. To get there, exit EUC from near the book store. Turn right and follow the path past the tall grey building, the Library. You will see a Clock and a Painted Rock. Go past it and you will see a fountain and an open air theater . The dining common is facing the fountain. Go upstairs and someone will guide you to a back area reserved for AISC delegates.
7. Please do not lose your meal tickets. You need these tickets to enter the Dining Hall for lunches and Friday reception, and also for the banquet Saturday evening. The entry is with tickets only. I don't have any control over that part as per our contract with dining services. For Friday evening reception in the Dining Commons, a place where students are also around, the sitting area and the bar are in a designated area for the delegates. But the food is outside of that area. Please do not take your drink outside this designated area.
8. If you have a car, please plan on driving it to campus. There is free parking. Please see the “Parking” link at the conference website.
9. If you are relying on conference shuttles, please see the departure times from the hotel and from campus, as noted in the conference program. If you miss the shuttle, you may have to take a cab.

10. If you need a certificate of presentation, please alert me ahead of time, or contact the registration desk.
11. If you are one of the Young Researcher Award recipients, and were promised hotel stay, please make sure you have secured your hotel room in consultation with your room mate. You will have to do some paper work for reimbursement. Please ask the registration desk for paper work that you will need to complete. For non-US citizens, the paper work is a bit extensive.
12. The hotel is next to a major Mall, just in case you love shopping. There are lots of bars in the area but exercise caution if you go out to bars at late hours. There is a nice bar within the hotel also.
