

MATH BS: STATISTICS CONCENTRATION

Suggested 4-year plan (122 hours starting in MAT 191)

- GFL: The typical foreign language sequence of is 101, 102, 203, and 204. Students may place out of courses through a placement test. Six hours of foreign language course work, with the exception of American Sign Language, may be used toward the General Education marker requirement of 12 hours of Global (GL) or Global Non-Western (GN) courses.
- GNS: At least one course chosen from the Life Science (GLS) list, and at least one course chosen from the Physical Science (GPS) list. One of the three must include a laboratory.
- GRD: At least one course chosen from ENG 101, FMS 115, or RCO 101 and one additional course is required. PHI 310 is recommended.
- GPR: PHI 222 is recommended.
- MATSCI is a mid-level mathematical sciences elective.
- The sequence listed for completing the General Education Core (GEC) and College of Arts and Sciences Additional Requirements (CAR) is a suggestion only and may be arranged to meet each student's particular interests.
- Students should take the Math Placement Test to ensure proper placement. Students that place into MAT 150 should plan to take MAT 191 in Summer.
- HONORS: Talk to your advisor early if you are considering graduating with disciplinary honors.
- STA 290 should be completed by the end of the second year. STA 301 and STA 352 should be completed by the end of the third year.
- Required hours: 122 semester hours, including 36 hours at or above the 300 course level. Must include 4 WI, 2 SI, and 4 GL/GN marked courses.
