

**UNC
GREENSBORO**

Department of
Mathematics & Statistics

UNCG offers an Accelerated 4 +1 Degree Program

Earn up to 12 hours credit towards a Master's degree while you earn your Bachelor's degree.

- Earn a Master's degree in one additional year at UNCG.
- Save money by having your courses count toward both a Bachelor's and Master's degrees.
- Obtain a highly marketable degree, and prepare for high-demand careers including jobs in industry, actuarial work, or teaching college mathematics.
- Ideal option for students interested in pursuing further study in a doctoral program.
- The advanced degree opens up new job opportunities and commands a higher salary.
- Focus on mathematics, applied statistics, teaching college mathematics, data analytics, or actuarial mathematics.
